

楊梅國中線上補課平台

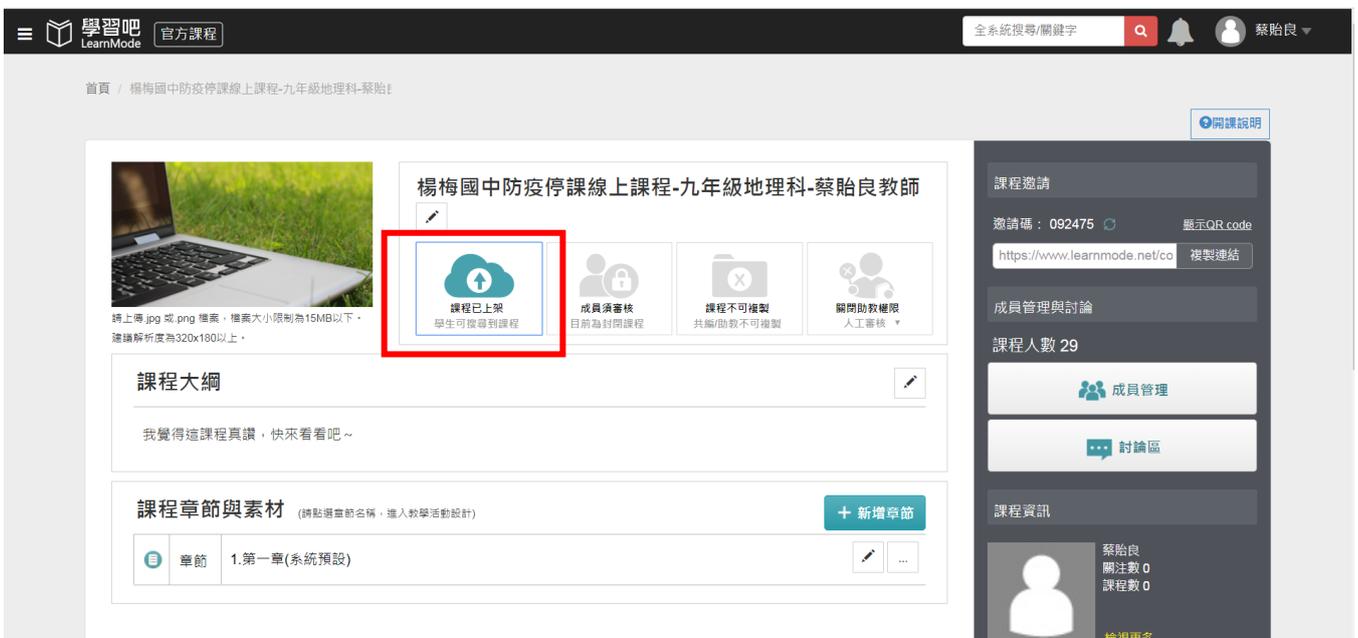

學習吧(LearnMode)-「課程上架補充說明」

Step 1：課程建立完畢後，此時課程尚未上架，學生「無法」看到此課程。須點選紅框處將課程上架。

The screenshot shows the course page for '楊梅國中防疫停課線上課程-九年級地理科-蔡貽良教師'. The '課程未上架' (Course not on shelf) button is highlighted with a red box. Below it, the '課程大綱' (Course Outline) section contains the text '我覺得這課程真讚，快來看看吧~'. The '課程章節與素材' (Course Chapters and Materials) section shows '1.第一章(系統預設)'. On the right sidebar, the '課程邀請' (Course Invitation) section displays the invitation code '092475' and the URL 'https://www.learnmode.net/co'. The '課程資訊' (Course Information) section shows the teacher's name '蔡貽良' and '關注數 0' (Followers 0).

Step 2：此時課程已上架(如紅框)，課程建立完成。

The screenshot shows the same course page as Step 1, but the '課程已上架' (Course on shelf) button is now highlighted with a red box. The '課程大綱' (Course Outline) and '課程章節與素材' (Course Chapters and Materials) sections remain the same. The right sidebar also remains the same, showing the invitation code and course information.
